

# FROM THE WORKSITE TO THE CLASSROOM

Help Educators Create REAL-WORLD Lessons for their students and *your future employees...*

- Educate the educators! Host a teacher for 40 hours this summer. Show them what it's like to work in the **REAL-WORLD!**
- Educators will develop a lesson, based upon their work experience with you and teach students.
- The **BIA will hire and pay the educators.**  
*We carry the workers comp and cover any liability.*
- Put a teacher to work and do your part to promote the building industry and help **prepare tomorrow's workforce today.**
